SUPPLEMENTAL AMENDMENT AND RESPONSE

Sir:

This communication follows Applicant's September 23, 2009 Request for Continued Examination (RCE) and Amendment, and subsequent conferences amongst (1) Applicant's attorney and Patent agent, and (2) the Examiner.

More specifically, the present response further amends claims that were submitted in Applicant's September 23, 2009 RCE to mirror the approach of previously submitted Claims 157 and 158 (in view of the Examiner's indication in a December 11, 2009 conference with Applicant's agent that the Examiner is 99.9% certain Applicant's claims 157 and 158 are allowable, and is simply awaiting the results of a supplemental search to confirm same).

Remarks begin below, and amendments begin on page 8.
